

Bylaws and Procedures Committee Resolution For Senate Council June 13, 2012
Proposed Change to Bylaws Article VI. Section 4. Reports

Current Bylaws Wording:

Article VI. Executive Committee

Section 4. Reports: The President of the Senate shall submit a written report on the activities of the Senate to all members by August 1 of each year. The report shall incorporate the reports of all Standing and Special Committees.

Whereas, the University Senate has previously endorsed electronic reporting as a primary means of conveying information;

Whereas, the University Senate website is well developed and serves effectively as a means for conveying the activities of the University Senate;

Whereas the current practice of the University Senate is to use the website as a primary means of reporting its activities;

Whereas the Bylaws and Procedures Committee has reviewed and unanimously recommends the adoption of the following amendment; therefore, be it

Resolved, That the Senate Council approve the following proposed amendment to the University Senate Bylaws. (The proposed change replaces Article VI, Section 4 in its entirety):

Section 4. Reports: The Executive Committee shall report the activities of the Senate to all members by posting on the Senate website meeting notices, meeting minutes, reports, newsletters and Senate Matters columns generated by the Executive Committee, Faculty Assembly, Senate Council, and/or Senate Standing and Special Committees.
