A search bar and a Webmail notification are also present. The main content area features a large banner image of a blue balloon and a yellow balloon against a blue sky with a building in the background. Below the banner, there are two sections: Faculty Announcements and Staff Announcements. A red rounded rectangle highlights a specific announcement about the Book Center renovation, which includes a 'Begin Survey' button and a 'Learn More' link.

The University Book Center will be renovated over a nine month period beginning Spring, 2012. During this interval, a smaller store in a temporary location will operate.

While the new facility's location will remain the same, the interior will be totally redesigned, and the retail area will be expanded and enhanced. Physical design and layout of the interior are now underway. The administration seeks your ideas on the types of services and merchandise to include and also on how you will use the new store.
